### **NEW!**

#### **Personal fundraising webpages -- an exciting way to help**

This year you can create your own personal fundraising webpage to raise funds for Hunger Hike. Send it to friends and relatives by e-mail—they can make online donations and your page will automatically keep track of how much you've raised. Personal fundraising pages are free, fun and easy. Learn more at [www.hungerhike.org](http://www.hungerhike.org).

#### **Other ways to participate...**

- Plan to hike and collect donations. Bring the money with you on the day of the hike!
- Organize a group of friends, family, or co-workers and participate as a group!
- Need registration forms or collection envelopes? They are available at LUM, at many participating churches, and online at [www.hungerhike.org](http://www.hungerhike.org).
- Make a donation to the hike. Give your donation to a hiker or give online at [www.hungerhike.org](http://www.hungerhike.org).

# LUM campers rock to a new beat!

The Lafayette Urban Ministry's annual summer camp for children was filled with a whole new attitude this year! Along with a new camp location, LUM Camp took place at a new time and included an exciting new schedule of activities for the campers. Because of a generous grant from Lafayette's McAllister Foundation we were able to increase the size of LUM Camp by 30 percent!

From August 8-12, 101 boys and girls, ages 8 to 10, enjoyed a memorable week of swimming, hiking, boating, singing, arts and crafts, campfires and sleeping in cabins at beautiful Hanging Rock Camp near West Lebanon in Warren County.

The children came from families who have been recently served by the Lafayette Urban Ministry. Their parents may not have the means to provide a trip to Disney World or the Grand Canyon, but they were able to send their children to LUM Camp thanks to over 250 individual Lafayette Urban Ministry donors.

Along with all the traditional summer camp activities, we focused our 2005 enrichment programs around earth and atmospheric science. Under the expert guidance of several Purdue faculty and staff members, the children participated in a paleontological dig, studied soil and water, broke open their own geodes, and even got to tour a working sand and gravel quarry! Prior to LUM Camp very few of the children knew much about geology. But now, 101 children have been inspired to consider the possibilities of a career in science.

LUM Camp included morning chapel, nutritious food, great entertainment, a 30 foot high indoor rock climbing wall, and the world's best camp counselors. And even though LUM Camp was filled with new and exciting activities this year, our focus remained the same—the growth and development of our campers. Each LUM Camper made new friends, met new challenges, grew in confidence and developed greater self-esteem. It was the most memorable week of their summer.

Everyone involved with LUM Camp is grateful for each donor and volunteer who helped to make our new LUM Camp the biggest and best ever!

**Change Service Requested**

**Briefly noted**

**Needed: complete meals for the shelter.** Many groups, families, and individuals volunteer to prepare and bring in meals for the homeless shelter throughout the year. However, from time to time shelter staff must prepare a meal using items that are stored in the freezer. Most helpful are main dishes that are frozen and will serve at least 46 people. Please bring items in disposable storage containers that can be frozen.

Items such as spaghetti and sauce, hot dogs & buns, hamburgers, casserole items, and barbeque are very useful. You may bring your donation to LUM anytime during regular office hours, M-F, 8:15am- 4:30pm. Thank you!

Please remember to bring your **empty inkjet printer cartridges** to LUM. We recycle them and receive money for each one (all brands except Epson).

LUM welcomes **Caralyn West** to the staff as week-night shelter coordinator. Caralyn, who goes by "Cara," is a Master's Degree candidate at Purdue. Cara brings experience and enthusiasm to her new position. Welcome!
